**3,000L Underground Donut Tank**

*Product Code:* T TM-TA 1908  
*Call for Price:* (08) 8277 2467

**Short Description**
$2,895.55

**Description**
Tankmasta DONUT 3,000L Underground poly tank. Standard Assembly Complete. The tank is made from chemical resistant, food grade, LLDPE resin.

The Toroid is designed to provide you with low cost installation due to the low profile reducing the excavation depth. This reduced depth also minimizes the chance of hitting hard rock and ground water, saving on both excavation and ballast costs.

**Dimensions**
Dimensions: 2400mm long x 2400mm wide x 1290mm high.
