### Description

Bushmans 15,000L Round Poly Tank

The tank is supplied with:

1 x 500mm Leaf Strainer

1 x 25mm Pre Moulded Brass Outlet

1 x Ball Valve (Supplied Loose)

1 x 90mm Overflow Outlet (Supplied Loose)

\* All fittings are supplied loose

This tank is an excellent addition to larger town blocks, hobby farms and larger rural properties. By installing a tank and collecting the rain water that falls in your area you can use this to wash your car or fill your pool. You can connect to the house mains so that this water can be used in toilets, washing machines or whole house use. This tank size

offers a large capacity which is ideal for storing stock water on the farm.

ALL TANKS COME WITH A 10 YEAR WARRANTY

\*FREE DELIVERY ADELAIDE METRO AREA. This is from Adelaide CBD to the east from Wild Horse Plains to Kapunda, keeping to the western side of the river to Nildottie, south to Mannum, Tailem bend to Wellington including all of the Fleurieu Peninsula EXCLUDING Kangaroo Island. (Call us when you are unsure if you live within this area)

CURRENT LEAD TIME APPROX. 2-3 WEEKS

IMPORTANT NOTE: 2 PERSONS + DELIVERY DRIVER ARE REQUIRED TO HANDLE THE TANK AT TIME OF DELIVERY
